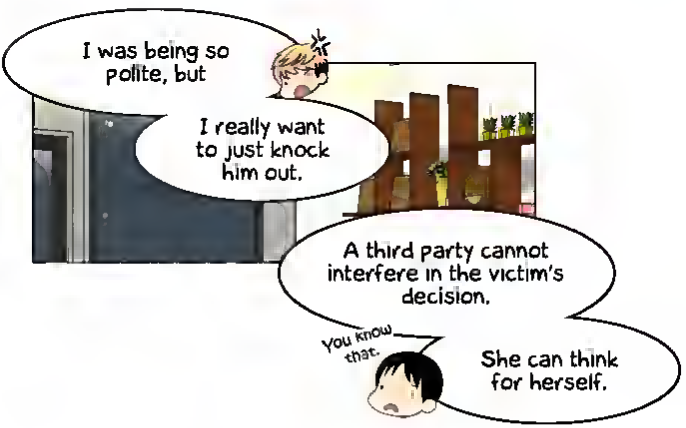
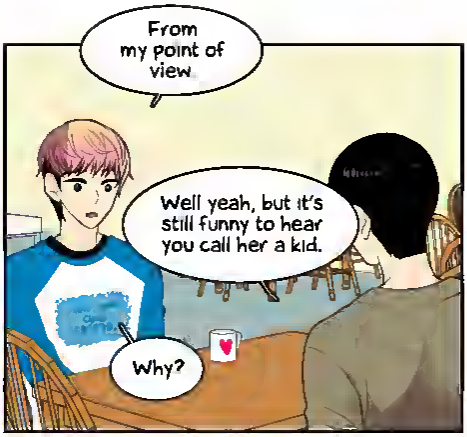
EUKK
AAH-



I was being so polite, but
I really want to just knock him out.
A third party cannot interfere in the victim's decision.
You know that.
She can think for herself.

Yu Rim
needs someone to guide her along.

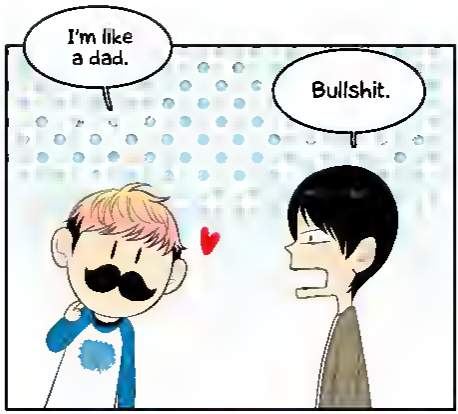
She knows what's good and bad, but-
She's too afraid of making decisions.
That bastard! She's just a kid!
Kid?



From my point of view.
Well yeah, but it's still funny to hear you call her a kid.
Why?

You've never acted like this before.

Hm? Have I been too protective?
If I had to say,

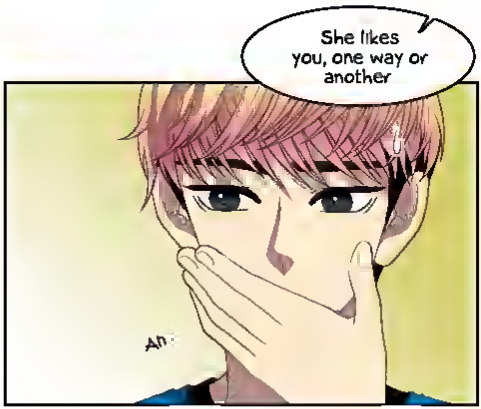


I'm like a dad.
Bullshit.

Why are you mad?
Then uncle?
I get that she's not too far from being your nephew and niece, but-

Just think about what you've been doing
You're always together
I haven't said anything because I know your side of the story

You might be a decade older,
but you walk her home every day and listen to all her life problems
And rather than finding it uncomfortable, she seeks you out.



She likes you, one way or another
Ah.

Me and Yu Rim...
